SKY Waikiki Streamlines Offerings to Focus on Rooftop Bar & Restaurant

In October, SKY Waikiki extended its restaurant and bar hours of operation to seven days a week. Beginning January 1, 2020, to focus on doing what they do best – serving up delicious food and signature cocktails at one of Honolulu’s favorite rooftop bars and restaurants – SKY Waikiki will transition away from hosting weekly nightclub hours. This will allow the restaurant and bar to focus exclusively on the needs of its customers who want to drink and dine in a casual, family-friendly environment with a resort casual dress code and the absolute best skyline views in Waikiki. Instead of the restaurant and bar converting into a nightclub at 10 p.m. on Saturdays, guests will now be able to enjoy uninterrupted dinner, drinks, and gorgeous backdrops of Honolulu’s city lights with no cover charge. New restaurant and bar hours will be from 5 to 11 p.m. Sunday through Thursday and 5 p.m. to midnight on Friday and Saturday.

Guests can start their evening with a meal at the restaurant - the full menu will be available until 9:30 p.m. each night. In addition, Waikiki’s happiest hours are in the SKY daily from 5 to 9 p.m. in the Main Lounge, featuring drink specials starting at just \$4, plus discounted menu items, all while enjoying live entertainment from 6 to 9 p.m. Thursday through Saturday.
